

10 Ms. Smarty-Plants™ years

& The Water Conservation Garden

CELEBRATING 10 YEARS OF FUN EDUCATION!

ASSEMBLY

Lower Grade Assembly (K-2/3rd)

“Ms. Smarty-Plants™ Grows Earth Heroes” takes students on a unique conservation adventure! Our assembly is fact-filled and engages students in water conservation, relationships in ecosystem and their functions. With music, magic and fun, Ms. Smarty-Plants™ continues to make conservation count by Inspiring one Earth Hero at a time.

Upper Grade Assembly (3/4th-6th)

“Ms. Smarty-Plants™ Cools the Climate©” explores climate change, uncovers the “global weirding” phenomena, and inspires students to conserve San Diego’s most valuable resource: WATER! Students will engage their critical thinking skills through this fun, interactive program for saving the planet.

Don't add up to zero,
Be an Earth Hero!
