

10 Ms. Smarty-Plants™ years

& The Water Conservation Garden

CELEBRATING 10 YEARS OF FUN EDUCATION!

FIELD TRIP

Join **Ms. Smarty-Plants™** as she takes students on a fun, interactive journey through plant and animal ecosystems, water conservation, changes in our climate and much more!

With music, magic and fun, she continues to make conservation count by inspiring one Earth Hero at a time.

- Participate in a hands-on tour of The Garden.
- Plant a succulent to take home.
- Learn a song in Sign Language.
- Explore nature!

Don't add up to zero,
Be an Earth Hero!
