

By signing this letter, you are granting permission for The Water Conservation Garden to take photos of student classes during their Ms. Smarty-Plants™ education program. Any students whose parents did not give consent to the school will be given a sticker to wear and will not be photographed.

The Water Conservation Garden is a nonprofit 501(c)(3) organization. Our mission is to inspire and educate through excellent exhibits that promote water conservation and the sustainable use of related natural resources. Photographs taken during education programs may be used to help The Garden receive grants, promote kid's nature education in our Garden newsletter, social media, or www.thegarden.org
